**Possible Discussion Items**

1. Should we consider proposing changing the date of mid-year convention? My recommendation would be to have the Lt. Governors do a survey of their divisions and get some feedback. Reasons for change would be:
  - a. current schedule always has good possibility of extremely bad weather and putting Kiwanian lives at risk in travelling
  - b. Mid year is real April 1st and thus would be more appropriate and normally have good weather at that time.
  - c. Possibly could get better attendance.
2. What positive suggestions can the Past LT Gov. give towards ways to improve attendance at Officer training sessions.? Should we establish a study to try and determine what is needed and the present to District Officers.?
